Brisbane Norths Junior Cricket Association (BNJCA) – Honours achieved by Ferny Fireballs teams and players

Ferny Fireballs comes third again in the BNJCA Club Championship in 2009/2010.

Each year the BNJCA conducts a Club championship involving all of the major clubs playing BNJCA fixtures. The champion club is declared as the club with the highest number of points per game averaged out over all the games played by that club. Ferny Fireballs Cricket Club has been knocking on the door in recent seasons – 3rd this season and the previous 2 seasons; 2nd in 2006/2007 and 3rd again in 2005/2006

FDCC President's Report 2009/2010

Bill Ledger, President

Outstanding Season:

As president, you sometimes get so immersed in the running of the club that it is sometimes difficult to get your head above water and see how things are going. As I pen this report and look back at the season 2009/2010, I would have to say that it has been an absolute privilege for me to preside over your and my club - the Fireballs.

Why do I say this? Well it has been an outstanding season individually, as teams and as a whole club. Most of the following I mentioned at our club trophy presentations in April 2010 but I want to repeat them here. I am sure you will agree how outstanding the season was.

- Some absolute **extraordinary** individual performances occurred. There are many of these as you can see in the stats later in this report and also available on our website. However, it is hard to top the following two which I have had the privilege to report actually happened:
 - A hat trick by a bowler is extremely difficult to achieve and is very rare, but to take a **hat trick** off your very **first three balls** playing cricket ever, well that is awesome, cool, **extraordinary!**
 - Likewise, scoring a century is the goal and the measurement of achievement by any batsman. But to go on to score a **double ton** is just amazing especially at junior level where there is physically hardly enough balls in an innings to achieve it. It is so amazing that there is no record in the Brisbane North Zone of it ever having been done. This is wicked, rad, **extraordinary!**
- **15** of our players achieving representative honours for the Brisbane North Zone or Metropolitan North School Zone.
- **2** of our coaches coaching BNJCA representative teams.
- Coming a very close **3rd** out of 12 clubs in the Brisbane North Zone club championship.
- Winning **11** of the 45 BNJCA individual awards – No. 1 of all the clubs.
- Winning **10** out of the 65 BNJCA Player of the Round awards – **3rd** of all the clubs
- Winning **1 summer junior premiership** (U16 half season team) and **2 summer warehouse premierships** (B3 & C1).
- Winning **1 winter junior warehouse premiership** (U14) and **1 winter senior premiership** (C1).

- For the “senior” seniors of the club, winning the **Chronicle Cup** for the 3rd year in a row.
- Conducting a hugely successful **In2Cricket** program with over **100** little “tackers” being introduced to our great game.

I am sure you will agree that this has been an overall sensational performance by the club. It instils a pride in me that we all are performing on and off the field as a large cricket team to provide:

- *the right environment for our players to develop;*
- *facilities for our players to train and play;*
- *coaches and managers that are doing an absolutely fantastic job; and*
- *support to the committee by all of our club members whether you be a father, mum, guardian, grandma, grandpa, uncle, aunt, brother or sister.*

Everybody can be very proud of the season that was. Every one of you has contributed and for this I say a big

THANK YOU!!!!

Player Development:

Player development is a major priority for the club and we will maintain this focus for the 2010/11 season by:

- *Providing an In2Cricket centre where we can encourage and develop our youngest members.*
- *Continuing and improving our main coaching programs; the popular September coaching clinic run by Andrew Knight and further fostering of our development squad coaching program during the season. I encourage any player looking to receive some targeted coaching by our very best coaches to attend these events.*
- *Further development and assistance to all our coaches and managers to develop their skills such that they can pass these onto our players.*
- *Provide other competition opportunities to our players by participating in other forms of cricket and tournaments – Ferny 6's, Anstey LaFranz, Shane Watson Cup, Cleveland Thornlands 6-A-Side, Nambour Invitational, and this coming season a UK touring team.*
- *Maintaining a pathway to senior cricket via our warehouse competition involvement both summer and winter.*

Development of our Facility:

Our playing fields are our major asset and with the improved weather conditions at the beginning of this year, I am pleased to say that this gave it a much needed boost with a visible improvement. We will continue our investment in the day to day maintenance of our facility so that by the start of the upcoming season it will be in tip top shape.

Now, I have mentioned many times during the season just passed about other projects that are on our agenda. I and the rest of the newly elected committee are determined to make these happen prior to, or during the upcoming season. We have brainstormed many things we would like to see. The following is our shortlist:

- *Providing water fountains at each of the shade structures.*
- *Fencing the northern end of our fields.*
- *Netting to prevent balls being hit into the neighbouring transfer station facility.*

Larger projects for which we will be seeking grant funding are:

- *Irrigation of our playing fields. The council proposed development is still on the agenda and we cross our fingers that the new financial year will bring it on.*
- *Lighting of a playing field or net complex.*
- *If you have been into our clubroom you would see the plans the AFL have for their own separate clubhouse. If and when this happens, we are looking to consult with the Bridge Club to change configuration of the kiosk and clubroom area to more suit our needs. Having the kiosk face our fields is our number one objective and would make our number one fan very happy.*

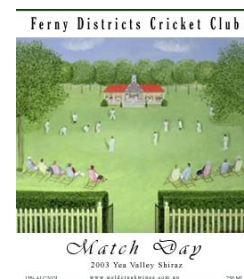

Funding:

As you will see from the financial report, the club is in quite a good position financially. Our aim continually aims to keep the fees low but have enough available to continue on our focus items of player development and ground maintenance as detailed above.

But additional funding is a key area we need to improve on. I have been like a kid in a lolly store with 5 cents only to spend. There have been many funding/grant opportunities that we have had to watch pass us by because there is nobody to pursue them. I want it all but can have none of it. I don't want to miss out on those lollies anymore.

On a very positive front for the club I am please to say that we have become part of the Arana Sports organisation. This is a non-profit organisation attached to Arana Leagues Club focused on providing sporting and recreational opportunities to youth in our district. Apart from this goal, what it does provide to us is access to a full time employee of Arana Leagues Club who is focused on assisting with grant applications. This will assist us greatly.

I should also not finish on funding without mentioning our successful new initiative "The Ferny Match Day Wine Series". This proved to be very popular over the ho hum chocolate drive or raffle tickets. The bonus being that apart from being a good fund raiser, the 2 whites and 1 red proved to be a great drop as well. We will continue this for the upcoming season but will modify it slightly by introducing a competition for the design of the wine label. Stay tuned for the details of this competition and the prizes to be won. It will be your chance to be part of the history of the club.

Our Australian “Fireball”:

How special it was for our senior players when James Hopes attended our senior trophy presentation night. Unfortunately for James but fortunately for us, James was recovering from his injury, sustained in the Sheffield Shield final, so he gladly gave up his time to be present. Thank you very much James and also to your dad Bill and the rest of the Hopes family for being such proud past members of our club. Thank you also for the donation of a James signed Australian One Day International playing shirt. Geoff Cowles has the spot already picked out for it in our club room.

Thank You:

I have already thanked you the members and all our coaches, managers and helpers for volunteering your time. But I can not finish this report, which has already gone too long, without thanking every member of the Fireballs committee.

I do not want to say anymore then a sincere thank you. This is by far the best committee I have been involved with who are all focused on what it is about. What is it all about? Just read our club mission statement. That is what our committees' primary objective is and all of you have played your part in the 2009/2010 season in making this happen.

I look forward to continue working on the committee for the 2010/2011 season. I also encourage any of you to join us in the continuing development of the Fireballs. It is a real buzz!

FDCC Treasurer's Report 2009/2010

Caroline Chorley, Treasurer

The club has had a solid year despite a slight decrease in income due mainly to merchandise sales being down on last year. Even though expenditure was greater than income this year, the club has a cash surplus of \$55 602 which is an increase of just under 6% from last year. The increase in expenditure is largely due to the transfer of \$15000 to the improvement account.

The Cover Point Kiosk once again showed a healthy profit and the Trivia Night was a great success. The Club would like to thank Geoff and Charyl Cowles for their tireless efforts and hope they will both continue their contributions to the club.

The following tables can show a detailed breakdown of the cash position, income and expenditure for the Ferny Districts Cricket Club for the financial year 2009/2010.

held at the Ferny Grove Bowls Club, Tramway Street, Ferny Grove on Monday, 27 July 2009 commencing 7:48 pm until 8:20pm followed by a General Meeting.

1. Present:

Gary Somerville (in the chair for items 1 to 11); Geoff Cowles OAM; (in the chair for items 12 and 13 and minutes); Bill Ledger (in the chair for items 14 to 18); Warwick Baillie, Darryl Berndt, Caroline Chorley; Paul Conway; Gregg Cook; Michael Futcher; Gavin Gleeson; Andrew Knight; Merryl Lyell; Andrew Middleton; Brian Morgan; Godwyn Pereira; Brett Shackleton; Wayne Smith; Patrick Toolis.

2. Apologies:

Dignitaries Peter Dutton MP; Geoff Wilson MP; Cnr Brian Battersby; Cnr Andrew Wines
Members: Helen Futcher; Rob Mander; Lynette Sperling

3. Welcome

Gary Somerville, the outgoing President, welcomed all present to the meeting. He offered a special welcome to Darryl Berndt, Caroline Chorley, Gregg Cook, Michael Futcher, Gavin Gleeson, and Brett Shackleton attending their first AGM.

He commenced by thanking Geoff Cowles for producing the 2009 annual report, circulated to all members present prior to the meeting.

4. Confirmation of 2009 AGM minutes:

Minutes of the 31st AGM held on 30 July 2009 (the 2008 AGM minutes) were included in the 2009 annual report.

Motion AGM 32-1 Adoption of 2008 AGM minutes

Moved and seconded that the 2008 AGM minutes be adopted as a true and correct record of the meeting.

CARRIED

5. Business arising from 2009 AGM minutes:

No business arising.

6. President's report:

Gary Somerville tabled his President's report contained in the 2009 annual report.

Motion AGM 32-2 Receipt of President's report

Moved and seconded that the President's report be received.

CARRIED

Gary spoke to the report emphasizing the main key points.

7. Business arising from President's report:

Nil

Motion AGM 32.3 Adoption of President's report

Moved and seconded that the President's report be adopted.

CARRIED

8. Vote of thanks to outgoing President

Geoff Cowles proposed a Vote of Thanks to Gary Somerville for his loyalty and dedication as President of the Club over the past 5 years. Gary will not be seeking re-election as President when this occurs later in the meeting.

Motion AGM 32.4 Vote of Thanks to Gary Somerville

Moved and seconded that this meeting express its gratitude to Gary Somerville for the excellent service, dedication and loyalty he has given the Club over the past five years as President.

CARRIED WITH ACCLAMATION

9. Treasurer's report:

Warwick Baillie tabled his Treasurer's report contained in the 2009 annual report.

Motion AGM 32-5 Receipt of Treasurer's report

Moved and seconded that the Treasurer's report be received.

CARRIED

Warwick spoke to the report making mention of the special financial highlights during the past year.

He advised that there had been insufficient time allowed for a final report to be received from David Waters, the Club's auditor for this meeting. He advised that the meeting will therefore be passing an unaudited treasurer's report. Nevertheless he was confident that he was presenting a fair and reasonable position of the Club's finances in presenting this report unaudited. The books are currently with David and Warwick expects to receive the final Auditor's report within the next few days.

10. Business arising from Treasurer's report:

Nil

Motion AGM 32-6 Adoption of Treasurer's report

Moved and seconded that the Treasurer's report be adopted subject to the Club receiving a satisfactory Auditor's report as soon as is practicable.

CARRIED

11. Correspondence

11.1 Correspondence - inwards

Nil

11.2 Correspondence –outwards

Nil.

At this point in the meeting Gary Somerville vacated the chair and asked for a procedural motion to permit Geoff Cowles as a Club life member to assume the chair to conduct the election of office bearers for 2009/2010.

Procedural motion

Moved that the meeting requests Geoff Cowles to take the chair to conduct the entire election of office bearers for 2009/2010.

CARRIED

Geoff Cowles assumed the chair

12. Election of office bearers:

12.1 Variation of office bearer positions – one Vice President position

Bill Ledger proposed that there be one Vice President position for the Club. He advised that in past years there have been two positions, one for Vice President (Cricket) and the other for Vice President (Operations). As the latter position has evolved to the extent that it has mainly been ceremonial in nature over the past two seasons its continual retention as an official position is questioned.

After discussion the following motion was put.

Motion AGM 32-7 Decision to elect one Vice President only

Moved and seconded that as from season 2009/2010 the Club shall maintain one position for Vice President instead of the maximum two that the Constitution permits. Further it was resolved that the positions of Vice President (Cricket) and Vice President (Operations) no longer apply.

CARRIED

12.2 The election process

Geoff Cowles declared all office bearer positions vacant and conducted the election of each vacant position one at a time.

12.2.1 President:

Bill Ledger was nominated by Gary Somerville, seconded by Warwick Baillie. Bill accepted the nomination.

There being no further nominations, Bill was elected President unopposed.

12.2.2 Secretary:

Brett Shackleton was nominated by Bill Ledger, seconded by Paul Conway. Brett accepted the nomination.

There being no further nominations, Brett was elected Secretary unopposed.

There being no further nominations Gavin, Darryl, Rob and Michael were elected general committee members unopposed.

13. Composition of Management Committee

Bill Ledger asked for a motion to decide the management committee for the Club as required by the Constitution.

Geoff Cowles thought it opportune for this meeting to determine the Management Committee at this meeting to cover this season and future seasons rather than requiring each annual general meeting to determine season by season. His motion included the proviso that any future annual general meeting could resolve to alter the composition at any time in the future.

Motion AGM 32-8 Composition of Management committee for 2009 onwards

Moved and seconded that unless altered by a resolution passed at a future annual general meeting that the Management Committee from this meeting onwards shall be consistent with past practice and consist of the positions of President, Vice-President, Treasurer, Secretary, Coaching Coordinator and BNJCA Delegate

CARRIED

At this point in the meeting Geoff Cowles asked for a procedural motion to allow him to vacate the chair and to hand this over to the newly elected President Bill Ledger.

Procedural motion

Moved that the meeting allow Geoff Cowles to vacate the chair and hand the chair over to Bill Ledger for the remainder of the meeting.

CARRIED

Ferny Districts Cricket Club Inc 1977-2010

A brief Club history – 7th edition – July 2010

Greg Milne and Geoff Cowles OAM

From a solitary team using borrowed gear to a thriving district club providing 300 local children with the opportunity to play cricket every weekend, the Ferny Districts Cricket Club has served its community with distinction since its commencement in 1977.

The club has grown from humble beginnings in 1977 when a team was entered into the local club competition. It owes much to Graham Parker, a teacher from Ferny Grove State School, who together with parents, Bill Finnen and Ted Reimers, provided the impetus for that first team to take the field.

The team had to be registered with the Queensland Junior Cricket Association and needed a name, and so the '**Ferny Grove Cricket Club**' came into existence. It wasn't all smooth sailing for these cricket pioneers. For each weekend match, the team had to borrow a cricket kit from Ferny Grove State School and make sure it was returned in time for school sports day.

There were no cricket balls supplied and Bill Finnen and Ted Reimers put their hand in their own pockets to ensure there was a brand new ball for each game. These trailblazers played against clubs such as Mitchelton, Wilston Wanderers, Ashgrove and Gap Pastime. They enthusiastically occupied grounds still in use today such as Ashgrove State School, Wilston State School, and some that no longer exist such as Bells Paddock.

The Club Gets Organised

In 1978, the fledgling club doubled its sign-on and two teams were formed. But this good news was tempered by a realisation that more cricket gear was needed.

Graham, Bill and Ted displayed great resourcefulness and went to senior cricket clubs in the district asking for spare equipment. The generosity of Brisbane Norths, Upper Kedron Cricket Club and the Hospitals Cricket Club meant there was enough gear to complete the season.

The second team of 1978/79 was mainly comprised of Ferny Hills State School students. At the time, the Ferny Hills area was developing at a much faster rate than Ferny Grove and it was obvious that more and more young cricketers would emerge from Ferny Hills. It made good sense to change the name of the club to the '**Ferny Districts Cricket Club**'.

The following season in 1979/80 season produced another boom sign-on with enough players for three teams. It became clear to Graham, Ted and Bill that if the club was to flourish, it was time to sort out the organisational side.

More helpers were found from willing parents and for the first time positions such as President, Secretary and Treasurer were established. This renewed enthusiasm provided a strong base for the club to grow.

It was during the 1979/80 season that club caps were worn for the first time. They were donated by Renault Australia and carried the company logo on the front. But it was the first real symbol of a united club and did much to fuel an emerging spirit.

Also in season 1979/80 a young lad by the name of Geoff Foley showed great promise in scoring four centuries for Ferny Districts CC as an under 13 batsman – 100, 116 not out, 125 and 124 retired. With such batting prowess as this it comes as no surprise that Geoff would later enjoy a

magnificent cricket career as a fine all-rounder with the Queensland Bulls and representing Australia A against the West Indies in a one day international.

The Growth Years

In 1980/81, the club decided to introduce its own original club cap design. It was a gold baggy cricket cap with the new club logo on the front – a logo designed by Roslyn Foley, the sister of Geoff Foley who was mentioned in the previous paragraph.

The 80s were boom growth times in the Ferny district. The increase in population and energetic commitment of the club's volunteer Committee underpinned growth.

The club gained its first premiership in 1981/1982 in the under 11 division. Further honours were achieved in 1985/1986 (the under 16A premiership); 1986/1987 (the under 14B premiership) and 1987/1988 (the under 11 premiership). Also in 1985/1986 the club won the forerunner to the BNJCA Club Championship by securing the then prestigious McDonald's Trophy for the best performed club within the Zone.

As other clubs such as Mitchelton and Samford fell by the wayside, solid organisation enabled Ferny to extend its player catchment to cover Keperra, Bunya, Samford, Mitchelton, Enoggera, Ferny Grove, Ferny Hills and Arana Hills. There was steady growth through the 80s and early 90s and the next significant change in the club's history occurred at the start of the 1994/95 season.

Birth of the 'Fireballs'

In 1994, in an effort to attract greater interest in the game, Queensland Cricket decided to market the State team as 'the Bulls'.

Cricket clubs throughout Queensland were encouraged to follow suit and promote their teams with a name that would be popular with members and reflect a modern approach.

After many debates working through serious suggestions and the not so serious (including the Ferny Frogs, Ferny Ferrets and Ferny Fatties), Club Secretary, Garry Fielding, arrived at a name which had widespread support. The 'Fireballs' was adopted as the team's catch cry in season 1998/1999. The new name created an opportunity to replace the club's gold baggy cap, which had become unpopular with players. A green peaked cap with the new 'Fireball' logo on the front was introduced, immediately winning enthusiastic support.

The instigation of the 'Fireballs' logo gave players a new sense of pride in their club. There was no better example than the response from a local 6 year old, when asked if he was going to play for the Queensland Bulls, responded with: "no way, I'm going to play for the Fireballs".

In 1994/1995 the club won the BNJCA Club Championship and also the under 12 premiership. It is significant that these achievements coincided with Queensland winning their first Sheffield Shield during this same season.

The club moves forward

In 2001 the club entered into a joint agreement with the Ferny Grove and Districts Junior AFL Club and Arana Contract Bridge Club that facilitated the construction of a shared club house known as the 'Ferny Grove Community Sports Centre' at Tramway Street, Ferny Grove. This provided the 'Fireballs' with its first administration centre, clubhouse and club storage room; a far cry from the club's previous arrangement of handing out newsletters and cricket gear in the car park of the old Ferny Grove shopping centre and holding club meetings in a primary school classroom at Patricks Road State School.

In 2001 'Fireballs' club secretary Gavan McMahon had a vision to convert the bottom playing field at the centre into the 'Fireballs' own cricket ground. Gavan organised a grant from the Queensland Government via the Community Gambling Benefit Fund, an interest free loan from Queensland Cricket and with some fundraising from within the club, the bottom playing field, which in another life used to be the Ferny Grove dump, was developed into the Fireballs first training and playing facility with six practice nets, four cricket pitches for interclub matches and four shade structures for parents and players to watch the cricket action.

In 2002 Gavan, now as club President, new club Secretary Lloyd Russell, and other club committee members, continued to market the 'Fireballs' brand and after extensive meetings with the football and bridge clubs, and the Brisbane City Council, and with support from the Club Patron Geoff Wilson, MP, a 10 year lease on the cricket field was granted to the 'Fireballs'. The vision was turning into reality. The playing fields (mark 1) were first used for official fixtures on Saturday 1 February 2003. The sports complex was used for subsequent cricket seasons 2003/2004 through to 2005/2006.

The club continued to push for improvements to the cricket field as wet weather and the grounds did not go well together. Following exhaustive representations by the club the Brisbane City Council finally agreed to a major redevelopment of the oval. Lloyd Russell as project officer for this redevelopment did a great job in negotiating significant improvements to the grounds and as a result of his tireless efforts the club now boasts two larger net facilities (one for juniors and one for seniors), four cricket pitches (two synthetic and two concrete) with shade structures and two shipping containers at the nets for storing cricket equipment. The cricket field was entirely resurfaced and with the vastly improved facility the 'Fireballs' family could proudly boast they had the best junior cricket facility in Brisbane. The two net complexes have been named after Ferny's favourite sons James Hopes and Geoff Foley, Queensland and Australian representative players, who were once Ferny junior cricketers. The newly developed fields enjoyed their first day of competition on 14 October 2006.

The club enters the twenty-first century in style

The club has been able to call the Ferny Fields and its clubhouse home since that first playing day in February 2003. Since that time the Cover Point Kiosk has been maintained thanks to the enthusiasm of Geoff Cowles as Kiosk manager ably assisted by his wife Charyl. The Cover Point Kiosk has opened every Saturday of each subsequent cricket season selling an array of drinks and snacks as well as becoming the club shop window for club business and sales on playing days. Through the efforts of Andrew and Anne Knight season 2005/2006 saw the introduction of stylish corporate club shirts with the Fireballs logo and club colours for both players and coaches and managers and supporters. This has given the club a much needed boost in promoting its identity.

In line with the club's desire to maintain and strengthen its strong club culture and sense of history an impressive trophy cabinet was purchased in 2007 for its club rooms to house the club's perpetual trophies acquired over the years as well as photos, premiership caps and other memorabilia. Present and past members of the club are always welcome to view these items now permanently on display.

In season 2002/2003 the Club introduced Ferny Fireballs Player of the Year Awards for the most outstanding club players in four divisions, under 15 and 16; under 13 and 14; under 11 and 12 and a half season Player of the year award for all ages. This format continued over the subsequent 3 seasons. For season 2006/2007, a revamp of the Player of the Year award system occurred with the acquisition of the perpetual James Hopes and Geoff Foley Trophies. As a way of showing their appreciation to the club for the great start they were given to their impressive cricket careers at Ferny Districts, James and Geoff kindly agreed to sponsor their respective trophies. There are now three awards instead of four with the James Hopes trophy awarded to the outstanding player in the under 13 to 16 division and the Geoff Foley Trophy for the

outstanding player in the under 11 and 12 Division. The half season player of the year award has been retained under this revised program.

On 5 November 2006 the revamped cricket fields were officially opened by Hon Geoff Wilson MP, Minister for Mines and Energy, State member for Ferny Grove and club patron. The official opening coincided with an open day where cricket club families and friends and the local community viewed first hand the club's magnificent junior cricket facilities at the Ferny fields. On the same day the James Hopes and Geoff Foley Net Complexes were also officially opened.

In season 2006/2007 the club entered the electronic age by establishing its first internet site at www.fernfireballs.org.au. The club is indebted to the extensive development work put in by Paul Conway, club treasurer and secretary, in getting this site up and running. The website provides strong club promotion, a fully functional player and family database and a huge archive of interesting club resource material and historical reports. Paul has also played a key role in improving the Fireballs logo and corporate image to ensure the club maintains its position as a leading club in the district charged with attracting young boys and girls to the joys of the great game of cricket.

The club expands into the senior ranks

The club expanded into the senior ranks for the first time in the 2002/2003 season by entering teams in the warehouse cricket competition giving under 16 players a smooth pathway into senior cricket. This has been maintained ever since. In season 2006/2007 Ferny Fireballs won its first warehouse cricket premiership in the C1 division. The Club has won several premierships in both summer and winter warehouse competitions since this inaugural season.

For season 2006/2007 the club entered a team in the Samford District based Chronicle Cup for the first time giving Ferny dads an opportunity to play a short term brand of social cricket as an added relaxation. The Ferny 'old boys' reached the final and were runners up in this first season. However they went one better in season 2007/2008 taking the Cup in a thrilling final with the Dayboro Cowboys at Highvale, repeating this success in season 2008/2009, then making it three in a row in 2009/2010.

In December 2008 Ferny Fireballs won the third division of the annual Queensland Country Week Carnival at Marchant Park, Chermshire. To win at this level at their first attempt was a very commendable effort indeed. The team consisted of a nice balance of current Fireballs junior players and former Fireballs players, parents and friends from the Club's warehouse teams.

Special club honours

As a practical means to honour special parents or individuals who have been outstanding achievers for the club, often in a quiet manner, the committee of 1990/91 introduced a perpetual Peter Wilson Shield named after the parent at the time who was motivated in wishing to see such an award happen. In 2002/2003 once this Shield had exhausted its designated name plates a new perpetual trophy, the Club Spirit Award took its place. Thus the desire of Peter Wilson to honour our true achievers continues to this day. Since 1991 a total of 24 fine achievers have been honoured with this award ranging from coaches, trophy organizers, past presidents and committee members and people who simply did something truly special to make our club tick.

In 2004 the Club granted life memberships to Geoff Cowles (its long serving Statistician and Cover point Kiosk Manager) and Chris Keating (one of its long serving Past Presidents. In 2007 a third life membership was awarded to former loyal secretary Lloyd Russell who was instrumental in gaining valuable government grants to help the club progress forward.

In 2001 Geoff Cowles was presented with an Australian Sports Medal commissioned by the Prime Australia of Australia for his continuous services to Ferny Districts Cricket Club and junior cricket in Brisbane since 1991. On Australia day 2007, Geoff was also awarded a Medal in the

Order of Australia (OAM) for service to the community through a range of youth, sporting and church groups, on the Club's nomination in 2005. He remains active in the club to this day.

Significant events

For season 2006/2007 an unprecedented 6 centuries were scored by six batsmen. This is a considerable achievement worthy of recording in this brief history. Matt Dolan achieved the rare milestone of scoring three centuries in a half season in season 2007/2008 for the Ferny Fireballs under 15 Blue team. For the first time in its short history the Club won three premierships in a single season in 2007/2008. In season 2009/2010 Craig Pereira playing for Ferny Fireballs under 15 Green team scored what is believed to be the first double century within the Brisbane North's region administered by Brisbane Norths Junior Cricket Association – 201 against Valley 15 Red.

In August 2007 the Australian Agricultural Company (AAC) and Elders played their annual charity match at the Ferny home ground. Among the players were former Australian test players Glenn McGrath AM playing for Elders and Ian Healy playing for AAC. Glenn and Ian gave the "thumbs up" to the excellent facilities now available at our clubhouse

In season 2009/2009 the Club featured prominently in KFC's Queensland Cricket junior clubs' sign on promotion with boys and girls in Fireballs shirts having a starring role in Channel Nine's television advertisements and newspaper articles. Also enjoying a starring role on Channel Nine television was Geoff Cowles whose story was featured in episode eight of the 'Inside Queensland' program in late 2008... The Club featured prominently in this program and gained considerable "free" publicity showcasing one of its long standing servants.

In season 2008/2009 the club organized an inaugural Ferny Six a Side competition at its home fields and at the Ferny Grove Primary School with a team from Wilston Norths Cricket Club taking home the perpetual trophy as first time winners. The competition was repeated in 2009/2010. In 2008/2009 the Ferny Fireballs also participated for the first time in a special carnival day hosted by the Nambour Cricket Club.

In The Right Spirit

The club attracts many players each season from a large catchment area predominately from Samford to Mitchelton and other adjoining Brisbane and Pine Rivers locations. Under 8s through to under 12s play modified rules in a non-competitive environment, whereas under 13 to under 16 age groups compete for premierships. However, equal participation by all is the club motto.

The club also conducts a popular In2Cricket program formerly known as 'Have a Go' attracting children aged five, six and seven to learn the basic skills of cricket. In season 2005/2006 the club conducted this program for the first time at its home ground at Ferny Grove on Saturday mornings rather than after school on weekdays as occurred in the early years of the program. The result was remarkable with 50 registrations in 2005/2006 and registrations have been consistently over 50 ever since with over 100 in 2009/2010.

The club's growth over the years owes much to its philosophy of inclusiveness, partnership and cooperation. There has always been a strong and mutually beneficial relationship with local schools from the outset.

The schools have granted use of their ovals and facilities for playing and training and in return the club has shared the cost of upgrading and maintaining pitches and practice nets. This has ensured good facilities for both the schools and the club. Before the club obtained its own club facility at the Ferny Sports Reserve in 2002 it was the Ferny Grove Primary and High Schools and Patricks Rd Primary School that provided rooms where club meetings could be held.

Over the years, the Ferny club has provided presidents, secretaries, coaching directors and committee members to the zones and associations with which it is affiliated. It is one of the

largest satellite clubs in Brisbane North and provides the association with many representative players for their state championships.

Chris Keating and Gary Somerville took on the role of president for five year continuous periods presiding over the club with distinction from 1997/98 to 2001/02 and 2004/05 to 2008/09 respectively. When Bill Ledger took over from Gary Somerville as president in season 2009/10 he emulated the achievement of brother Scott who was president for seasons 1992/93 to 1995/96. Scott Ledger played two games for the Queensland Sheffield team in 1972/73 and represented Queensland Country against the touring English and West Indian teams in the later seventies.

The 'Fireballs' have had many players make first grade teams for Norths or Valleys and two have gone on to play for the Queensland Bulls. The club is proud of these two players, Geoff Foley and James Hopes. Their success gives encouragement and incentive to all our young players.

The club takes opportunities where needed to assist in community causes. In February 2009 Australia was in the grips of some of the worst bushfires in its history in Victoria and huge floods in North Queensland. The Club responded in season 2008/2009 with significant donations to the Victorian Cricket Bushfire appeal and to the Herbert River Junior Cricket Club whose clubhouse was all but fully submerged from flood waters. The club commenced season 2009/10 by donating all of its no longer required cricket gear to the Foundation of Goodness, a Sri Lankan charity, set up by Sri Lankan test players Chaminda Vaas and Muttiah Muralitharan to assist poor struggling cricket clubs in that war torn country.

To reflect its emphasis of putting families first and building youth self-esteem, the club has managed to maintain some of the lowest sign-on fees in the Brisbane North region. It also ensures every Fireballs player receives a trophy and team photo each year.

The last word

Pivotal to the success of the club since its inception in 1977 are the many mums and dads who have contributed in so many significant ways through scoring, umpiring, padding up the players, taking on team manager roles and as coaches. The club has seen scores of young players gain more than the cricket played itself. Their participation has improved their life skills of teamwork, communication and mateship and it is true that many of the young players who have played under the Ferny colours have maintained firm friends for life with their fellow Fireball players. It is equally true that many of the adults who take on committee roles also maintain firm friendships through serving and helping each other to maintain the right club spirit. It is significant that many former players as young adults are choosing to stay with the club by taking on coaching and assisting roles for the club's betterment. Put simply, many believe the club has given them so much that they want to give something back. A club that can achieve this response from former players is surely a great club indeed.

The club salutes its many volunteers who have worked hard over many years and current committee members who value add on the work of past committees. So long as successive committees maintain this dedication and the club's philosophy of a fair go for all then the Ferny Districts Cricket Club has a bright, rosy future ahead.

ACKNOWLEDGEMENT

Ferny Districts Cricket Club Inc wishes to acknowledge the valued contribution of Greg Milne who was instrumental in producing the first edition of these history notes in 2002 celebrating the club's 25th anniversary. Wherever possible, the original work has remained unaltered. However, Geoff Cowles OAM, the club statistician in subsequent editions has added new information from the early years as this has come to light and also has provided information on the club's history and development since 2002

RECORDS AT THE FERNY FIELDS BY FERNY FIREBALLS TEAMS AND PLAYERS

[Games commenced on these grounds on Saturday 1 February 2003]

[Games commenced on redeveloped ovals on Saturday 14 October 2006]

Explanatory Note: These records take into account games played on both the old fields from 2nd half season 2002/2003 until end of season 2005/2006 and the redeveloped fields from the start of season 2006/2007 onwards. Records achieved on the former fields will include the word 'old' – for example a record held on the former field 1 will be shown as 'Ferny field old 1'. Conversely a record on a redeveloped field will simply list the number – for example a record held on the redeveloped field 2 will be listed simply as "Ferny Field 2".

This is an award that has been sponsored and awarded by the Club Statistician (Geoff Cowles) since 1997 without any Club involvement, other than that the Club approves the granting of the award.

It is a special book prize award offered to a player from the competition grades (under 13-16), who has not qualified for a batting, bowling or catching award nor any of the special awards and who in the opinion of the Statistician has made an outstanding consistent contribution to his/her team. Occasionally an encouragement book prize award has also been given to a player under the same criteria from grades under 11 or 12.

Ferny Districts Cricket Club Inc

[Founded 1977. Incorporated 2 December 1986]

AIMS AND OBJECTIVES

➤ *Our philosophy*

“To ensure active participation in the game of cricket in a spirit of good sportsmanship and fair play.”

➤ *Our vision*

“To foster the development and growth of junior cricket through our local community.”

➤ *Our mission*

“To create opportunities for young people living in Brisbane’s north-western suburbs and surrounding suburbs administered by Moreton Bay Regional Council to play junior cricket in a manner that contributes to their positive development as individuals and members of the local community.”

➤ *Our positioning statement*

“Ferny Districts Cricket Club Inc provides to all aspiring cricket enthusiasts in the north-western suburbs of Brisbane and surrounding suburbs administered by Moreton Bay Regional Council unsurpassed opportunities to develop and achieve within a community orientated environment.”

➤ *Focusing on our aims and objectives*

“Ferny Districts Cricket Club Inc focuses on these aims and objectives as the means to ensuring our local community is afforded the opportunity to participate in team sporting activities with a club that has a culture of participation and fairness. The club is desirous of providing a high quality facility to accommodate competition, training and personal development for all members. In addition, the club is focusing on development of committee members to ensure they are equipped to meet the rigors of voluntary work. The Club is very appreciative of the valuable contribution made by many hard working volunteers who freely give of their time in utilising their collective talents and skills to ensure the fulfillment of the Club’s aims and objectives.”
