Why are we having an Italian theme?

Well it so happens that 13 March 2010 is two days shy of the 2053rd anniversary of the famous Ides of March when in 44 BC Julius Caesar was said to have been assassinated. How's that for classic trivia to promote our Trivia Night.

Cost includes "tea and coffee and cake" supper

Alcoholic and soft drinks available from our Bar at reasonable prices

BYO nibbles, snacks, cheese platters for your team.

**Prize for the best dressed person
or couple and best Italian themed table**
